# LORD SALISBURY'S DELAY.

How It is Construed by a State Departmen Official. At the cabinet meeting this morning the Bering sea matter again came up for consideration. All the members of the cabinet were present with the exception of Secretaries Blaine and Foster. As no communication has been received from Lord Salisbury the situation may meeting of the cabinet last Friday.

respondent Lord Salisbury cannot be regarded Edward T. Naylor, this morning, suddenly and as a glittering success. It would seem as though he had forgotten all about the Bering sea negotiations. When the President sent his latest letter to Sir Julian Pauncefote it was coupled with the request that he would cable coupled with the request that he would cable the text of it to his home government, as the exigencies of the case were such as to call for

had sent his reply by a sailing vessel.

A State Department official said to a Star reporter this afternoon that in his opinion Salisbury was purposely delaying his answer until the sealing fleet had a chance to clear for Bering sea. When they have gone so far that any attempt to stop illegal poaching for this season would be a failure he will agree to a renewal of the modus pending arbitration. It would be too late then, and any agreement on the part of Great Britain would be a mere piece of political clap-trap, but according to piece of political clap-trap, but according to THE STAR'S informant the dilatory tactics of

and Hill. Gen. Bragg of Wisconsin, in which he makes some sage remarks about the presidency being an office to come to a man without seeking, just at this time while Hill. The publication of Mr. Ceveland's letter to at this time while Hill is chasing delegates in of the sad affair, was very popular.

Cleveland declares that he occupies with that His Malady Said to Be Incurable and Caus of Mr. Hill are not particularlyly complimentary to the latter, though a great many of the hardened democratic politicians are cynical serts that the malady of the kaiser's ear is getenough to question the sincerity of Mr. Cleve- ting worse and is attended by frequent parland's modesty.

pense of the "two rivals."

Mr. Hill's extreme eagerness has caused a general loss of interest in him, and it is de-clared by southern men that self-seeking politics, without any show of modesty, is not popular in the south. The expressions on the sub-
